#### Planning My Future - **I Want More!**

- |                  |                     |
|------------------|---------------------|
| Social Skills    | Goals and Barriers  |
| Boundaries       | Money and Budgets   |
| Reducing Stress  | Why Ethics Matter   |
| Building Resumes | Interview Skills    |
| Tame That Resume | Communication       |
| Cover Letters    | Make an Impression! |

Technology & Skills Training provides interactive workshops about topics aimed to enhance basic life and job readiness skills. Through unique motivational strategies, hands-on basic computer training, certifications, and tips to identify and break unhealthy behavior patterns, participants can successfully navigate social and workplace challenges.

Benefits:

- Increased Earning Potential
- College & Apprenticeship Readiness
- Education & Work Skills Certifications
