WE  OUR
Volunteers!

With so many opportunities to serve, you are sure to...

...Find your Perfect fit to help Alaskans succeed!

Our Philosophy of Care

Compassion

We respect and care for individuals and have a passionate desire to help them succeed.

Excellence

We recognize the potential of our clients and provide positive supports to encourage and motivate them to attain their goals.

Collaboration

We assess client needs to devise a plan that integrates internal and external services leading to educational and employment success.
